Disclaimer

- it is your responsibility to stay within your local laws
- it is your responsibility to check with your insurers that you are covered for whatever you do
- this information is for educational purposes only
- this information is subjective and in no way meant to suggest or discourage any decision
- this presentation gives no recommendations whatsoever or suggests any correctness here or on suggested 3rd party websites. No products or services are recommended
- only licensed Engineers and experts are able to give you recommendations. The author is not. Check with a local expert for any action you take
- energy is dangerous and only experts can deal with it. Always ask an electrician and engineer about everything
- the author is not liable and cannot be held liable for anything you do, especially concerning information on this website
- no buying decision is encouraged or discouraged
- Especially no financial advice in any form is given

Disclaimer of Liability

Maintenance of this website is a gratuitous service provided to users of the LED SAVES, its employees, and agents (i) assume no responsibility for anyone's use of the information; (ii) disclaim any and all responsibility or liability for either the information available in this website or for the availability and content of the external websites to which it links; and (iii) are not liable for any damages (regardless of type, reason, causation, or theory of liability) arising in any way out of the use of LED SAVES's site. The contents of the LED SAVES website are advisory in nature and based on the best information known at the time. The contents of the LED SAVES website are not intended to address specific circumstances of any user or any particular individual, organization, or state; are not asserted to be comprehensive, complete, accurate, or up to date; and do not represent binding legal determinations or any other manner of professional advice. If legal or other expert assistance is required, the services of a competent professional should be sought.

Disclaimer of Warranties and Accuracy of Data

Although the information, documents, software, products, services, and related graphics found on this site are believed to be reliable and may be useful to LED SAVES users, LED SAVES makes no warranty, expressed or implied, regarding the accuracy, adequacy, completeness, legality, reliability, or usefulness, either isolated or in the aggregate, of the information, documents, software, products, services, and related graphics. All information, documents, software, products, services, and related graphics are provided as is and all warranties of any kind, including merchantability, fitness for a particular purpose, and freedom from contamination by computer viruses, and non-infringement of proprietary rights, are disclaimed. Users should exercise due diligence before applying these resources to their particular circumstances. Periodic changes may be made to the information and these changes may not be incorporated into LED SAVES's website. Users that have obtained information from any of the LED SAVES web pages through a source other than the LED SAVES website directly should be aware that electronic data may be altered by third parties after its original distribution. Any data on LED SAVES's website may quickly become out of date.
